The first order of business was the provisional meeting. Some precincts had issues, so teams were notified that some needed to come in for corrections or signatures.

Once the provisional meeting was over, we began canvassing the votes from the election. Several issues occurred during the day of the election with precinct 301. Some of their paperwork, was also in need of signatures and small revisions. They were called in. Precinct 302 needed signatures on their SORs. CAP had 1662 total votes which was both mailed and early voting combined.

CAP still has the late ballots to obtain and count on Tuesday, as Monday is a holiday. Once that is done, they will complete the SORS for Mailed Voting.
