

COUNTY OF LANCASTER, VIRGINIA
FEE WAIVER POLICY
FOR COUNTY PERMITS ISSUED FOR
REPAIR OF HURRICANE IRENE-RELATED DAMAGE

The County of Lancaster's (hereinafter, "county") code enforcement offices/staff shall implement the following policy pertaining to the waiver of county permit fees for demolition, repair and/or other construction activities that directly and solely address Hurricane Irene-related (caused) damage:

(1.) Waive all county building, demolition, zoning, wetlands and any other county-imposed permit fees for demolition, repair and/or other construction activities that directly and solely address Hurricane Irene-related (caused) damage.

(2.) Fees shall not be waived for county permits that include in part or in whole demolition, repairs, expansions, additions and/or other construction activities pertaining to non-Hurricane Irene-related (caused) damage. A separate county permit must be obtained for non-Hurricane Irene-related (caused) demolition, repair and/or other construction activities to be eligible for the waiver of fees for county permits pertaining to hurricane-related (caused) damage only.

(3.) Fee waivers shall apply to eligible county permit applications received by the appropriate county code enforcement office for an approximate six (6)-month period, which shall commence at the start of business on Monday, August 29, 2011 and shall expire at the end of business on Friday, March 2, 2012.

(4.) This fee waiver policy shall not apply to any demolition, construction and/or development-related activities that are either permitted by or otherwise come under the regulatory jurisdiction of any governmental agency of the Commonwealth of Virginia or the United States of America.
