

Lancaster County Economic Development Authority Grant Request

The mission of the Economic Development Authority (EDA) is to foster and stimulate economic development and employment through entrepreneurship in business, industry, and trade in the County of Lancaster for the general good of its people and the Commonwealth of Virginia.

EDA Strategic Priorities: Aligned with NNPDC 2018 CEDS as related to Lancaster County.

1. Infrastructure that facilitates the expansion of existing businesses and attracts new, higher-wage industry sectors.
2. A workforce equipped with the skills and flexibility needed to succeed in a technology-based economy.
3. A more business-friendly atmosphere across the Lancaster County/Northern Neck
4. Effective and sustainable use of the region's natural beauty, cultural amenities, and tourism opportunities
5. Community Resilience
